

Minutes

AA/AAA Awards

- Jess Rest USA Lacrosse will be Administrator of Awards
- She will make sure awards are done the same way in every district
- District Coordinators will set up meetings for coaches to talk about each nominee
- voting will be done via Survey Monkey starting the following day.
- AA/AAA nominee's must be submitted by the end of April (specific dates will be announced in February)
- All nominee's must be All State Award recipients.
- no more than 3 nominee's from each school.

State Tournament Re-Vamp

- Central District will host 2022
- The North has a proposal to change the tournament process, see attached proposal
- we are going to try to piggy back the tournament off the boys tournament. The offer has been made from THSLL to allow us to use their State Tournament fields.
- Every district needs to try to get 100% participation in USA lacrosse membership in order to receive grant money we can use to upgrade the State Tournament.

District Alignments

- We went over how each district deciphers the rule: 3.3. As a board, we determined we need a vote to clean up archaic language within the rule. This will be brought to a vote in December. The board determined the differential should be no more than two between divisions. TGHSL Board is now bringing the district divisions to our state board meetings for review by the board to get input from all districts.
- The North District and South District will have D3 divisions in 2022. The Central District has D3 under consideration.

D1/D2 Waiver Request Central District

- Central requested a waiver for a team with D1 and D2 teams, that may not be able to field a JV team. The issue was discussed and determined by all board members the team in question, is not eligible to receive a waiver based on the rules outlined in 10.7.1. The Central team will not be able to field D1/D2 teams for 2 years, since they did not meet the member requirements or the full JV team requirements during the 2021 season. **determination made 10/5/2021

-

General Items

- we are always looking for volunteers who meet the criteria outlined in the by-laws to serve on the board.
- The TGHSLL board is working on all districts being run in the same manner across the state
- North and South are planning to collect dues for State and District dues in one billing. Central District is not able to do this based on corporate Structure

State Tournament Proposal:
